

Christmas Fair Saturday 28th November

The PTA committee is planning the Christmas Fair for Saturday 28th November 2015.

As part of our local advertisements Breadmore & Webb Estate Agents in Halstead have kindly agreed to sponsor some boards for us. In order to do this we need 8-10 parents who would be prepared to have a board outside their properties from approximately 1st November. As the estate agents hope to gain exposure for themselves from this, as well as promoting our fair, the more prominent the properties the better! We would ideally like to have some along the main street through Pebmarsh, Lamarsh and Maplestead. If you are able to help us please complete the reply slip and return to the office by Monday as the agents need enough time to get the boards printed.

Many thanks in advance for your support.

More information about the fair and donations will be sent out nearer the time.
