Sports Premium Grant September 2017-July 2018

At St John the Baptist, we recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

The Sports Premium Funding will enable us to continue and extend our provision through employing additional sports professionals, entering into more competitive sports competitions, making break times more active and training our staff to deliver in-house quality PE sessions.

St John the Baptist School receives £16,000 plus an extra £10 per pupil each year. (£16,710)

Schools have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.
